COMMENTS:

Show/Production - The show went very well set up and brake down faster than in previous years, more detail and BOSS soldiers supported this year. There was a huge support from the installation command for the show. The theater was full to capacity, a very actively involved audience supported this year's show and the show is always welcome at this Installation.

At the end of the show an award was presented to 1SG from the Post Commander. Also, the commander was presented a framed certificate from the Soldier Show.

In the evening a Cast Dinner was planned for the cast at the Fort Monroe Club, awards were presented to each member of the 2005 U S Army Soldier Show.
